Video: KleenGuard™ Nemesis™ Eye Protection

Brought To You by Kimberly-Clark Professional | Feb 04, 2020

KleenGuard™ Nemesis™ eyewear offers stylish, comfortable protection that helps increase productivity. The patented nosepiece technology prevents eyewear from slipping and getting in the way of work. The anti-fog technology keeps vision clear so work is uninterrupted. Polycarbonate lenses provide 99.9% UVA/ UVB/UVC protection and the eyewear meets ANSI Z87.1+ standards. Nemesis comes in a variety of styles to keep your eyes protected in any work environment.
