VIDEO: A Brand® AT-2 Thread Mill: 2 Processes with 1 Tool

Brought To You by OSG | Aug 10, 2021

The OSG A Brand® AT-2 Thread mills with end-cutting edge for high hardness steels is ideal for highly difficult high hardness steel applications. The risk of sudden tool breakage can be minimized by breaking chips into small and manageable pieces and evacuating them smoothly. Since no pilot hole is required, process integration and the risk of breakage can be avoided. Watch the short video above to learn more.
