VIDEO: Milwaukee® Personal Safety

Brought To You by Milwaukee | Aug 01, 2022

Personal Protective Equipment has seen little innovation over the years, driving users to modify their gear to better meet their needs. MILWAUKEE® has taken the time to understand their users' needs and develop PPE from the ground up, delivering hard hats that allow users to adapt to each job and safety glasses that can be worn all day with lasting fog-free lenses. MILWAUKEE® is focused on creating innovative solutions that won't slow users down, helping them stay safe and stay productive on the jobsite.
