VIDEO: Wearwell Diamond-Plate Anti-Fatigue Matting – What the Pros Demand

Brought To You by Wearwell | Jan 03, 2023

Regardless of whether you're working on dusty concrete or a slick epoxy floor, your anti-fatigue mats shouldn't move around just because you do. Wearwell's proprietary "WOW!" finish, their most recent addition to their line of Diamond-Plate matting, puts an end to the decades old problem of sliding mats.
