

Personal Protective Equipment

VIDEO: Lightweight Demonstration of Tyvek® Garments

Brought To You by DuPont | Mar 01, 2023

Lightweight and versatile yet resilient and durable, Tyvek® personal protection equipment delivers performance that meets or exceeds industry standards for protection against a range of chemical threats and hazards. From personal protection and weatherization to packaging and transportation, Tyvek® rises to the challenge— keeping the elements out while letting life in. *Watch the short video above to see just how lightweight Tyvek is (music only, no transcript).*

*Previously Featured on DuPont's YouTube channel.
