VIDEO: Experience Unmatched Dexterity & Comfort with Showa MFT PRO Gloves

Brought To You by SHOWA | Aug 01, 2025

Experience the difference with the SHOWA MFT PRO series. This video showcases the ultra-lightweight and highly tactile MFT PRO 381, MFT PRO 264, MFT PRO 344, and MFT PRO 374. Discover how their MicroFiber Technology delivers exceptional flexibility, breathability, and grip for precision work and all-day comfort. Learn about the unique palm coatings and why these gloves feel like a second skin.
