Polyester Webbing	6	Yellow	2	Locking Snap Hook	Locking Snap Hook	62841937

Tubular

- Features an energy absorbing inner core and a strong, protective outer shell made of tubular webbing
- If a fall occurs, the inner core expands smoothly, while the outer shell protects the core from damage and acts as a backup
- Capacity: 350 lbs.

Polyester Webbing	6	Yellow	2	Locking Snap Hook	Locking Rebar Snap Hook	62841960

Tubular Stretch

- Similar to Tubular with the addition of elastic, which allows the lanyard to retract to only 4' long when not under tension
- Helps reduce the possibility of tripping over excess lanyard webbing
- Capacity: 350 lbs.
