Sandusky Storage Cabinets

Classic Series

Provides secure storage with a 3-point locking system and a classic locking swing handle (2 keys included). Five ample shelf spaces, four of the shelves adjust in 2" increments to accommodate a variety of storage needs. Each shelf holds up to 180 lbs capacity of evenly distributed weight. Made of welded steel construction with a tough powder-coated finish for lasting durability. These cabinets meet ANSI/BIFMA shelf standards and are Greenguard Certified.
