

SAVE UP TO **40%** OFF LIST PRICE ON SELECT 3M ABRASIVES*

Limited time only-no promo code required, prices have already been reduced.

3M ABRASIVES: QUALITY YOU CAN COUNT ON

SHOP 3M DISCS

- With innovative Cubitron™ II Abrasives Discs and Scotch-Brite™ discs, 3M has rewritten the rules for speed, consistency and abrasive lifespan in aggressive applications
- Whether you are removing large welds, or carefully finishing a custom piece, 3M has discs to help complete the job quickly and easily

SHOP 3M BELTS

- 3M has a wide selection of sanding belts bringing quality and performance to a wide range of applications
- Each belt is constructed using high quality materials and is specifically tailored to work on whatever substrate you may need

SHOP 3M DEBURRING WHEELS

- 3M offers a wide selection of deburring abrasives to use on metalworking projects of any size or shape
- Get your deburring step done with speed and finesse when you use premium 3M™ Cubitron™ II and Scotch-Brite™ abrasives

SHOP 3M PADS & SPONGES

- Through the decades, Scotch-Brite™ has continually improved the performance and durability of its industry-leading hand pad products, earning their place in metalworking shops around the world
- For fast, consistent surface conditioning, keep Scotch-Brite™ Hand Pads & Sponges within reach

*Certain exclusions apply. Discounts may not apply to certain products. Offer subject to change or cancellation without notice. Discount will be taken off of current catalog price for qualifying items and orders and will be shown on the Shopping Cart page. If an item has a web price and a promotion code is applied, MSC will automatically provide you the lowest of that price and the discounted price. Offer ends at 12/31/22 at 11:30pm ET.
